## **Election letter: Stop the insanity in Desert Hot Springs**

With the accepted definition of insanity being repeating the same action and expecting a different result, it would be insane for the hardworking citizens of Desert Hot Springs to return the same majority to City Council. Millions wasted on condemned property, embarrassing dysfunction at council meetings, endless lawsuits, it needs to end. The only way to do that is to change the ruling majority.

Joe McKee understands the challenges facing our fine city and is ready from day one to work tirelessly for the future of Desert Hot Springs. McKee is intelligent, pragmatic and has a firm grip on the issues facing us as we meet the challenges of a growing city. He is his own man, not automatically siding with either faction while making careful choices affecting the destiny of Desert Hot Springs. Stop the insanity. Elect Joe Mckee for City Council.

**Will Pieper, Desert Hot Springs**
